

# Pristine Clean Exteriors Ltd receives 2025 Award of Excellence

Exterior cleaning plays a vital role in preserving the condition of your property. Dirt, mold, and algae can cause damage to surfaces over time, leading to costly repairs and depreciation. By regularly cleaning and maintaining the exterior, you protect your investment and ensure it retains its value. Pristine Clean Exteriors Ltd is an exterior cleaning company founded by Charlie Perrin In 2021, with a passion for transforming outdoor spaces. Inspired by the dramatic results of cleaning driveways and patios, Charlie was determined to offer a best-in-class cleaning service to homes and businesses across Dorset and beyond. At first, Charlie simply knocked on hundreds of doors, offering window cleaning services. To his surprise, people were not only interested but eager to join his window cleaning round. Pristine Clean Exteriors quickly gained a loyal customer base. The journey wasn't all smooth sailing of course. When Charlie's second-hand van broke down just weeks after starting the business, he didn't give up. Instead, he pushed forward with a refusal to let customers down and a determination to succeed and build something meaningful. Today, Pristine Clean Exteriors has grown from a one-man operation into a thriving company with a fleet of specialised vehicles and a dedicated team of skilled professionals. They now serve a diverse range of residential and commercial clients, with customer trust and loyalty at the core of their success. Delivering an extraordinary service is their top priority. For homeowners and businesses across Dorset and beyond, they provide the highest quality exterior cleaning services. They'll help you take pride in your property, create a clean, safe environment and leave a lasting impression for all the right reasons.

We feel that Pristine Clean Exteriors Ltd ticks all the boxes and is a worthy winner of our award.
